

Appl. No. 10/604,707
Preliminary Amendment dated February 12, 2004

REMARKS

With respect to the specification, the preface phrase has been amended to request identification of this pending application as a continuation application. Applicants respectfully request that this application be granted the status of a continuation application of pending application 10/248,778 filed Feb 18, 2003, for examination purposes.

If it would advance the prosecution of this application, the Examiner is invited to telephone the undersigned.

Respectfully submitted,

Kevin Pumm
